Closing Remarks Roy Jones

Associate Directors

Ray Strindmo has directed the chorus in past years and sings lead in the "4-Tune Hunters" quartet. He has over 40 years background as a soloist and director of choirs and glee clubs. At one time, he sang lead in the popular Atomic Bums quartet of Minneapolis which often reached the semi-finals of international S.P.E.B.S.Q.S.A. competition.

Dick Svano is one of our former fulltime directors and sings bass in the "4-Tune Hunters" quartet. With a 42-year background of singing and directing barbershop singing, he has about done it all. His Illinois choruses won district championships in 1950, 51, 52, 54, and he sang in a quartet which won the Illinois championship in 1959 and were international finalists.

Our President Says....

Lewis D. Farr - The Desert-Aires Barbershop Chorus is a group dedicated to singing four part "barbershop" harmony. We have presented our annual show every year since May, 1976. The Chorus wants to welcome every member of our distinguished audience who've supported us so generously now and in the past.

This year, under the direction of Al Mau, we'll strive to entertain you tonight as well as we have in the past.

I, personally, want to thank all of the Chorus members who've cooperated in presenting this show. Each person has done more than his share and I'm certain you will enjoy every number presented.
