"GENTLEMEN OF NOTE" TRIO

Many of this trio's performances are before private clubs, retirement centers and Desert-Aire shows. These men enjoy singing the old songs for audiences thru-out the Valley of the Sun but especially love to perform for any of the Sun Cities organizations and groups. All are active members of the Desert-Aires. They are ROY JONES, BILL McEACHERN, FRANCIS BEST.

GENTLEMEN OF NOTE

FOUR TUNE HUNTERS

In the production of a Desert-Aires Show the word goes out for quartets and men start to gather to see if one can be organized. If they get it all together its rehearsals and time because basically they're hams. Believe Me, I know exactly how a Ham feels and..what one will do to get on stage..in front of a Mic... That JUST happens to have an audience on the other side. We have THREE QUARTETS on our show this year that will surely make your night a little brighter.

FOUR TUNE HUNTERS.....Jack Reith, Ray Strindmo,
Jim Vercouteren, Charlie Uhlir.

LATE BLOOMERS.....Bill Willoughby, Gene Hadley,
Bob Parkhurst, (Not Pictured) Don Nairn.

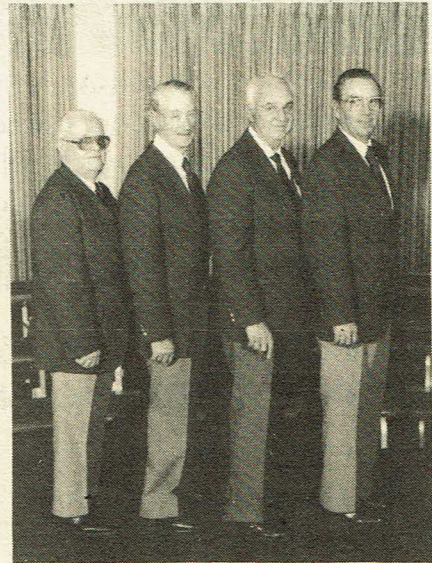

SHOW BOATERS.....Ernest McPherron, John Borders, Floyd
Parker, Everett Meier

VLQ.....(Very Large Quartet).....Pete Peterson, Jerry Hough, Gene Hadley Jim Coberly, Floyd Parker, Bob Parkhurst, Andy Smith, Al Pierce, Bill Willoughby, Bill Garr, Ernest McPherron

When The Desert-aies are asked to sing for a group they don't want to say NO... If it's just a few lonely or sick people who would like to have a few laughs or fun, they get it together and SING. BUT...To gather up 50 or sixty men is not an easy job...so...on call are our own VLQ. They learn all the songs and more, then volunteer TIME, ENERGY and a lot of WORK to perform this worth while need. Don't forget to give these guys an extra hand when they perform for you tonight.
