SRO - Standing Room Only

This exciting quartet is anything but new to barbershopping. Together Russ, Joe, Fraser and Gary have a combined total of over 75 years experience singing barbershop music and performing for audiences all over the world. They achieved the position of Finalist this year at the International Quartet Competitions in Calgary, Alberta, Canada and are 1992-93 Far Western District Quartet Champions. All four have enjoyed giving of themselves to the barbershop hobby as music directors, judges, coaches and administratively. What brings them together is their close personal friendships and their love of performing for great audiences like you.

"Just 4 Fun 4"

This local quartet, organized in 1991, is a registered SPEBSQSA quartet. Mel, Bob, Fred and Marvin have performed with the Phabulous Phoenicians, three time International Chorus Champions, in the Phoenix area and for civic and business organizations throughout Arizona and southern California. Two members live in Sun City and two in Sun City West. With over 120 years Barbershop experience among them they welcome the chance to sing for charities, clubs, organizations and you.

THE DESERT AIRES BARBERSHOP CHORUS

In 1976, a small group of men, interested in barbershop harmony, encouraged a number of other men to join with them to sing four part harmony. The result was the formation of the Desert Aires with rehearsals beginning in September that year.

The Desert Aires have come a long way from those early days since the chorus has presented annual concerts for 16 of its 18 years of existence. Because it likes to present mini-concerts or "singouts" and has done so for nursing homes, malls, charitable organizations and others, you are invited to contact Roy Jones at 974-1419 to arrange for an engagement.
