**"REVIVAL"
(Our Guest Quartet)**

The "Revival" Barbershop Quartet is one of the most exciting quartets to come along in years. They pay homage to classic Barbershop style... then take it to new heights.

Listen as these four voices travel through the years to the next turn of the century. An award winning quartet ranked 15th in its first year of International competition.

Below is a profile on the make-up of the Quartet.

Royce Ferguson - Teaches piano and finishing a music degree from San Diego State University.

Mike Spencer - Has been singing barbershop for 20 years, with the help of his father, who has been a barbershopper since the 1950's.

Mike Lawton - Caught the barbershop bug in 1980 when he attended his first Chapter meeting in El Cajon, California.

Bill Myers - Was a member of two of the most successful Barbershop Chorus' of all time, the "Louisville Thoroughbreds" and the "Masters of Harmony".
