Get ready for a wonderful time with VOCAL EDITION!

Vocal Edition formed in March of 2011, and one month later won the AZ Division Quartet Championship of the Barbershop Harmony Society! They are delighting audiences everywhere they appear and have received many compliments from their growing group of fans. They were again crowned AZ Quartet Champs in 2013, and were one of five quartets in the Southwest USA to qualify and compete in Toronto, Canada, at the International Barbershop Quartet contest in July 2013.

You can get to know them better on Facebook, Twitter and YouTube.

This wonderful a Capella quartet, with a combined total of 75+ years of singing, includes: Eric Bjornsen (Tenor), Tim McMullan (Lead), Danny Ryan (Baritone), and Dan Davenport (Bass). We know you will enjoy their performance today!

Sun City Stomperz

The Sun City Stomperz Jazz Band is made up of seven musicians who have joined together to express their love for the music that emerged at the beginning of the last century. Because this form of musical expression appeared at roughly the same time as the four-part vocal harmony that became known as Barbershop, the two types of music find a lot in common.

For more information or to schedule the group for your event call Harry at 623-214-8443. The Band will have CD's for sale in the lobby after the concert. Visit their website at www.suncitystomperz.com which contains an updated schedule and musical backgrounds of Band members.

These wonderful young women will knock your socks off!

Forming in late 2013, the four members of **C'est La Vie** found a sound that they are excited to share with audiences. You will feel their love and dedication to a Capella style of music the minute they start to sing.
