High Priority - 2016 Seniors Gold Medalist Quartet

“High Priority”
won the Gold
Medal in the
Senior Division of
the 2016 Mid-
Winter
Convention of the
Barbershop
Harmony Society.

This is NOT your grandfathers' Barbershop. They won't arrive in striped jackets and straw hats and sing Down By the Old Mill Stream. Their choice of music is intended to offer both high-energy and beautiful harmony captured in recognizable songs.

We are pleased to be able to present “High Priority” for your enjoyment today. Quartet members are Tenor - Ray Estes, Lead - Byron Bennett, Baritone - Mark House, and Bass - Dan Davenport have decades of barbershop harmony singing experience. Although together only since 2014, they have entertained audiences both large and small.

You can enjoy more of their music by googling “High Priority” on your computer or phone.
