Suit Up!

Suit Up! officially formed in December of 2014 and four months later won the Barbershop Harmony Society (BHS) Arizona Division contest. After two consecutive second place finishes, the Suits were crowned 2017 BHS Far Western District quartet champions in October of 2017.

We loved our original baritone and friend, Danny Ryan, but in early 2017 when work made it impossible for him to continue with us, we were fortunate to find an experienced baritone, Brent Graham, to take his place.

Suit Up! is dedicated to performing a wide variety of music in the a cappella style. We have entertained audiences from all over Arizona and would love to perform for you at your next show or function.

TENOR - Justin Klemballa, *LEAD* - R.J. Esquivias, *BARI* - Brent Graham, *BASS* - Rodney Armstrong
